

WS8: Work experience reflection (RA)

Learner: _____ Date: _____

Name of placement: _____

In the space below, state what your role was during this placement and briefly outline some of the tasks you undertook.

Question 1

Describe the organisational procedures to deal with and report any problems that can affect working relationships.

Question 2

Describe the difficulties that can occur in working relationships and how you can resolve them. Give an example if possible.

Question 3

Describe the sorts of attitudes and requests that are likely to create conflict or negative responses. Give an example if possible.

Question 4

Describe how the regulations below affect how you should be treated at work.

The Working Time Regulations

The Equality Act

Disability Discrimination Act 1995

National Minimum Wage Act 1998

Question 5

Describe the importance of making a contribution to improving working practices and procedures.

Describe a procedure and format for making suggestions for improvements in a workplace.

Question 6

Describe the benefits to you and an organisation if improvements can be identified and implemented.

Question 7

Based on your work experience, explain when you should act on your own initiative and when you should ask for help from others.

Question 8

During work experience, state who you needed to report to in the event of a problem.

In the workplace generally, who would you need to report to in the event of a problem?
